

## BRILLESS PREMIUM BATHROOM GEL 750 ML

<b>DESCRIPTION</b>	Universal bathroom gel is a product that can quickly and effectively cope with typical for the bathroom dirt such as soap or limescale deposits. The gel consistency makes the applied product dissolve dirt without flowing off the surface, which facilitates its use. It leaves in the bathroom a fresh scent of cleanliness, making washed surfaces hygienically clean and shiny.
<b>COMPOUNDS</b>	Non-ionic surfactants, fragrance composition, preservative.
<b>TECHNICAL REQUIREMENTS</b>	<p>Transparent or opalescent liquid with the aroma characteristic of the fragrance used.</p> <p>Color ..... light green</p> <p>pH ..... 1,0 - 3,0</p> <p>Density at 20°C, g/cm<sup>3</sup> ..... 1,000 - 1,050</p>
<b>APPLICATION</b>	The universal bathroom gel is suitable both for cleaning bathroom fittings and sanitary equipment.
